CHIPPENHAM TOWN COUNCIL

FINANCIAL REGULATIONS

These Financial Regulations were adopted by the Full Council at a Meeting on 22nd June 2016.

1. GENERAL

- 1.1 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council or its Strategy and Resources Committee. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of financial control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets these responsibilities.
- 1.2 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and then in force.
- 1.3 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in Governance and Accountability for Local Councils – a Practitioners' Guide (England), which is published jointly by NALC and SLCC and updated from time to time.
- 1.4 The Responsible Finance Officer (RFO) is a statutory office and shall be appointed by the Town Council. The Head of Finance and Administration has been appointed as RFO for this Council and these regulations will apply accordingly.
- The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with proper practices. The RFO shall determine on behalf of the council its accounting records, and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices.
- 1.5 The RFO shall produce financial management information as required by the Council.
- 1.6 At least once a year, prior to approving the Annual Governance Statement, the Council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices.

- 1.7 Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8 The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:
- setting the final budget or the precept (council tax requirement)
 - approving accounting statements
 - approving an annual governance statement
 - borrowing
 - writing off bad debts
 - declaring eligibility for the General Power of Competence
 - addressing recommendations in any report from the internal or external auditors,
shall be a matter for the full council only.
- 1.9 Regular back-up copies of the records on any computer shall be made and shall be stored securely away from the computer in question, and preferably off site.
- 1.10. The council, and any members using computers for the council's financial business, shall ensure that anti-virus, anti-spyware and firewall software with automatic updates, together with a high level of security, is used.
- 1.11 Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link. Remembered or saved passwords facilities must not be used on any computer used for council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.
- 1.12 Changes to account details for suppliers, which are used for internet banking may only be changed on written hard copy notification by the supplier and supported by hard copy authority for change signed by the RFO and two members. A programme of regular checks of standing data with suppliers will be followed.

2. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

- 2.1 Each budget holding Committee shall formulate and submit proposals to the Council's Strategy and Resources Committee in respect of revenue and capital including the use of reserves and sources of funding for the following financial year not later than the end of November each year.
- 2.2 Detailed estimates of all income and expenditure including the use of reserves and all sources of funding for the year shall be prepared each year by the RFO in the form of a budget to be considered by the council's Strategy and Resources Committee.

Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.
- 2.5 The Council shall consider the need for and shall have regard to a five year forecast of Revenue and Capital income and expenditure (Medium Term Financial Plan) which may be prepared at the same time as the Annual Budget.
