Standing Orders

Author: Chief Executive
Adopted: 26th September 2018
Renew Due: 26th September 2021

INTRODUCTION TO STANDING ORDERS

Standing Orders are the written rules of Chippenham Town Council. They are used to confirm the Council's internal organisational, administrative and procurement procedures and procedural matters for meetings.

Meetings of the Council, Councillors, Proper Officer (known as the Chief Executive) and the Responsible Financial Officer (known as the Head of Finance and Administration) are subject to many statutory requirements.

- Standing Orders ensure that certain statutory requirements are upheld.
- A Council should have Standing Orders to confirm those statutory requirements.
- A Council should have Standing Orders to control the number of meetings, the place of meetings, the quorum at those meetings and notices and other procedures for committee and subcommittee meetings.
- A Council must have Standing Orders for the procurement of contracts.

Chippenham Town Council has made some modifications to the template as provided by the National Association of Local Councils. It has produced its own version to ensure that it operates effectively, at the same time as adhering to statutory requirements.

Matters that appear in bold are mandatory statutory requirements
