## Policy Statement

“The Town Council is committed to a policy of Equal Opportunities in Employment. The aim of this is to take into account only the suitability of the individual concerned for any post and ensure that no job applicant or existing employee receives less favourable treatment on the grounds of gender, marital status, disability, age, religion, sexual orientation, race, nationality or ethnic origin.

No employee or job applicant will be disadvantaged by conditions or requirements of employment which cannot be shown to be justified or refused employment on the grounds of either membership of a Trade Union or non-membership of a Trade Union.

Any conduct that does not promote respect and dignity of any individual is unacceptable and those with a line management responsibility are required to be available to the employee for help in any such instances and to seek to resolve the issues raised”.

## Principles - As an Employer

- All employees are required to treat one another with mutual respect. Actions, behaviour and attitudes should consistently demonstrate respect for the dignity and worth of an individual, irrespective of the position they have within the organisation.
- The Council is making every effort to create a workplace where individuals are valued, listened to and treated with respect.
- The Council maintains a work environment that seeks out and values the insight, experience, contribution and full participation of all staff.
- Harassment and discrimination in any form is unacceptable behaviour and offenders will be subject to disciplinary action.

## Principles - As a Service Provider

- All service users will be treated with respect. Actions, behaviour and attitudes should consistently demonstrate respect for the dignity and worth of an individual;

- The Council will ensure that all contractors directly supplying goods and services or executing works for, or on behalf of, the Council comply with this Council's stated policy on equal opportunities.

### The Policy in Action

#### As an Employer

The Council aims to achieve the policy by:-

- ensuring its employees are made aware of their rights and responsibilities to each other, the customer and the organisation regarding equal opportunities issues;
- providing a way in which individuals can communicate any concerns via competent named personnel;
- treating any unacceptable behaviour seriously;
- ensuring all managers realise they have a key role in implementing this policy and are expected to take personal responsibility in ensuring its success;
- providing awareness training for all employees and Councillors, ensuring opportunities to develop relevant competencies are available to implement the policy;
- meeting the commitments and living the aims of being a "Positive about Discrimination" employer.

#### As a Service Provider

The Council aims to achieve its policy by:-

- providing training for all staff in equal opportunities awareness and customer care, emphasising equality of treatment in service delivery;
- ensuring that no member of the public is disadvantaged, or treated less favourably than others, in terms of access to Council services. Where the Council's practice, policy or procedures are found to make access impossible or unreasonably difficult, we will take such steps as are reasonable in the circumstances to change these practices, policies or procedures;
- ensuring that, wherever practical, all public buildings and premises owned or managed by the Council are accessible to all. Where this is impractical in the short-term, we will provide reasonable alternative methods of access so that no member of the public is disadvantaged by physical barriers;
- recognising the importance of communication in attaining equity and quality services which are responsive to the needs of all local people, for example through the provision of information in large print and on audio tape on request;
- complying with all relevant legislation relating to discrimination and equity.

### Role of Councillors and Employees

All Councillors and employees are responsible for implementing the Council's Equal Opportunities Policy. It is important that all individuals who are employed by the Council appreciate that they have a responsibility and a role to play in the provision of equal opportunities.

### Monitoring of Equal Opportunities
