Chippenham Housing Infrastructure Fund Bid

Dear

As stated in my previous letter dated 24 June, Full Council agreed to support the Housing Infrastructure Fund Bid in principal at the meeting held on 19 June 2019. However, Council requested that I send you a further letter emphasising the following points;

- That Town Council receives regular updates from Wiltshire Council on the progression of the HIF funding bid.
- While the Town Council supports this bid in principle, the Council wish to emphasise that the outcome of the bid if successful would not predetermine any future planning application that comes forward.
- The Town Council has an emerging Neighbourhood Plan and pre application protocol that invites all new proposals affecting the community of Chippenham to attend future planning meetings and undertake consultation with the local community prior to any application coming forward.

I trust that you understand the reason for this supplementary letter and that we will be able to work collaboratively.

Yours sincerely,

Mark Smith MBA LLB (Hons) CMgr FCI FSLCC
