

## Climate Emergency Advisory Group (CEAG)

Meeting 16 March 2020

Items on the agenda:

- The new logo was presented to the group and it was highlighted that it uses the same framework as the Chippenham Neighbourhood Plan branding to enable consistency. It was agreed that this branding will be used and also used on all public platforms such as agendas, promotional material, Chippenham Town Council website and Talk Chippenham newsletter.
- The group agreed to have a public information stand at the upcoming Chippenham Town Council Annual Town Meeting on 29 April 2020.
- A member of the group led a report on the first sustainability school event, which took place at St Peters Primary School on 4 March 2020. The presentation the students included a brief introduction into the Climate Emergency Advisory Group and Climate Change. It was reported that the children were all interactive and showed interest.
- Councillor Desna Allen received 29 letters from pupils, which she replied to personally and some of which were appropriate to be passed on to Michelle Donelan MP, Wiltshire Council Highways and Chairman of Chippenham Neighbourhood Plan Steering Group to highlight issues including protecting green space and traffic issues within Chippenham.
- It was shared that Chippenham Town Council is registered with the national campaign 'Great British Spring Clean.' It was made clear that social media would be used to promote the events running from late March until April, mainly to encourage the public to take part. Litter equipment would be borrowed from the Council's Environmental Services team.
