

Climate Emergency Advisory Group (CEAG)

Meeting 18 January 2021:

Items on the agenda:

Chairman's Announcements:

- The Youth Council Chairman, Declan Kiely was welcomed to the meeting.

Chippenham Town Council Carbon Reduction Plan:

- Further feedback was received regarding the ongoing progress on the Town Council Carbon Reduction Plan. It was confirmed also that a CEAG progress report would be taken to the Strategy & Resources Committee on 17 February 2021.

Renewable Webinars Proposal

- The group discussed the possibility of hosting one or more renewable webinars in the future for local residents. It was hoped that this may dispel any concerns residents may have about cost and accessibility. It was proposed that a further meeting would look at this proposal in more detail.

Chippenham Town Council Youth Council:

- Chairman of Youth Council Declan Kiely attended the meeting to see where CEAG and Youth Council could work together in the future.
- In Youth Council meetings it has been highlighted by the Youth Council that they wish to be involved with tackling the Climate Emergency but didn't want to duplicate any work already taken place by CEAG.
