

Climate Emergency Advisory Group (CEAG)

Meeting 15 February 2021:

Items on the agenda:

Chairman's Announcements:

- Alex Lockton decided to stand down as Vice Chairman of CEAG and therefore the Chairman thanked Alex for all his advice and enthusiasm while in the position of Vice Chairman.

Election of Vice Chairman:

- Nick Hodges was proposed by Councillor Nick Murry and seconded by Councillor Clare Cape.
- There were no other nominations and with all members in favour Nick Hodges was elected as Vice Chairman for the rest of the municipal year 2020/2021.

Chippenham Carbon Reduction Action Plan:

- The group were reminded that the Centre of Sustainable Energy (CSE) matrix is the template that will be used to help organise the approach the Town Council will take to tackle Carbon Reduction.
- A pivot table had been designed by Alex Lockton in addition to the CSE matrix to help with short, medium and long term goals.
- The group discussed relevant points that they wish to be added to the draft matrix, alongside the current items that have already been added.

Renewable Webinars Proposal:

- Alex Lockton fed back following a meeting looking at the proposal of webinars to help inform and educate the residents of Chippenham on home renewables.
- The Chairman confirmed that she is aware of residents who are asking questions regarding home renewables and this series potential series of webinars would be very helpful.
